

SPORTING INFORMATION

Sport Premium Funding

In 2013, the government launched an initiative to improve the quality and provision of PE and sport for all children. The premium should leave a legacy of improved sporting performance, increased participation and better promotion of health and well-being. Each school received extra funding to support this aim. Here at Boothville Primary School, in September 2013, we received a lump sum of £10 385, In 2014-15 we received £10 645 and in 2015-16 we will receive £10 234. This extra funding must impact all children in our school and the spending needs to be sustainable.

Strategic plan:

| | How money has been spent: | Cost | Impact |
|---------|--|-------|---|
| 2013-14 | School Sports Partnership admissions fee (enhanced school) | £2250 | A range of sporting competitions, projects and initiatives offered to children to increase participation (intra- and inter-school level). |
| | 'Real PE' whole school training (3 training day sessions) | £2495 | ALL teaching staff trained for new method of delivering PE lessons. Improvement in the quality of teaching (specialist and generalist). Ensure teaching of PE is consistently good. |
| | New resources/equipment for KS1 | £2125 | Children (and staff) in KS1 benefit from new play equipment, to be used in and out of lessons. |
| | 'Development planning' training course, attended by Beth Edwards (plus cover costs) | £160 | Strategic action/development plan written to guide school forward. |
| | Pacesetters: specialist coaching to train teachers to teach gymnastics and dance in year 3. Coaching groups. | £1077 | Children and staff in year 3 benefit from specialist lessons and coaching (Mrs Gates and Miss Renshaw). |
| | Pacesetters: participation in inter-school competitions (rugby, multi-sports, rounders) | £180 | Competitive, sporting events to challenge most able athletes. |
| | Northampton Town School Sports Federation (NTSSF) participation fees | £200 | Increased participation in a range of competitive sporting activities |
| | | | |
| 2014-15 | School Sports Partnership admissions fee (enhanced school) | £2750 | A range of sporting competitions, projects and initiatives offered to children to increase participation (intra- and inter-school level). |
| | Resources for PE lessons/sporting competitions | £562 | All children will be able to use new equipment in lessons. Young Leaders to have special equipment to use with KS1 children, to lead games on playground. |

| | | | |
|-------------|--|-------|---|
| | Northampton Town School Sports Federation (NTSSF) participation fees | £200 | Increased participation in a range of competitive sporting activities. Including A+B+C teams |
| | Pacesetters: participation in inter-school competitions (rugby, multi-sports, rounders) | £175 | Competitive, sporting events to challenge most able athletes. |
| | Pitch/field markings | £569 | Football, Cricket, Rounders and athletics track marked on field (and remarked every 6 weeks) to use during curriculum time and during intra- and inter-school competitions. |
| | Staff wages: <ul style="list-style-type: none"> Paul Jones for after school/overtime sessions Carol Crabb for Change4Life club (x1 hour per week) Kirsty Bradshaw for Change4Life club (x1 hour per week) Cover for Beth Edwards to write PE Action Plan | £1477 | Children to take part in extra-curricular activities (competitive and non-competitive) with no cost to parents, inc. change for life. |
| 2015 - 2016 | School Sports Partnership admissions fee (enhanced school) | £2750 | A range of sporting competitions, projects and initiatives offered to children to increase participation (intra- and inter-school level). |
| | Resources for Real PE lessons and racking for Key stage 1 & 2 halls. | £5259 | All children will be able to use new equipment in lessons. Young Leaders to have special equipment to use with KS1 children, to lead games on playground. |
| | Sports Equipment for Young leaders to organise and run a new lunchtime club in 'middle' area. | | Opportunity for our Yr 5/6 children to take responsibility for organising new lunchtime activities for 20 children per day. |
| | Sports equipment for new lunchtime club on KS 2 playground | | Encourage Key Stage 2 students to participate in sporting/fitness activities at lunchtime. |
| | Outside coaches/providers for clubs inc. Gymnastics, Dodgeball, Marathon & Multisports | £2979 | New lunchtime & after school clubs. |
| | Kids Marathon | TBC | Opportunity for all Key Stage 2 to complete a marathon throughout the year |
| | Chance to shine (Cricket) 'Gold' package | £900 | This will provide ECB qualified coaches to raise the standard of teaching cricket to ALL students, and to provide CPD for staff. Also, it will provide access to cross curricular opportunities through National Cricket Day, Assemblies. |

Plans for our future spending:

- Strictly Come Dancing breakfast and after school club and competition.
- Continue to offer free/part funded lunchtime and after school club for all children. To encourage immediate and long-term participation in sport and physical activity.
- Sports coach employed in after school club (Zig Zag).
- Employ specialist coaches to help with after school clubs/training teachers during curriculum time.
- Staff training.
- ASA swimming Charter & training.
- Subject Leadership course.
- Cricket nets – permanent feature of school field to engage all children in cricket.
- Supply cover for Level 2 & 3 games.
- 'Real' Gymnastics training
- Subject leader training

Summary:

As evident in this report, Boothville Primary School has benefitted greatly from this extra funding. More children are involved in sporting activities than ever before.

100 % of K.S 2 children participate in level 1 competition, (enrichment time). Level 2 participation in Yr 3 = 26%, Yr4 = 60%, Yr5 = 83% and Year 6 = 67%. We have competed in Rugby, Football, Hockey, Archery Level 3 competition. In our newly formed Kids Marathon (lunchtimes), 69% of children in Key Stage 2 have taken part. (As of May 2016).

Our children at Boothville Primary understand the value and importance of keeping healthy, becoming more confident and competent learners as well as taking part in competitive sporting activities.

Attainment for all students within PE has improved as a consequence of staff training/up-skilling and a renewed enthusiasm towards physical activity in school.

Other PE/Sporting News:

Silver Award

In November 2015, we were awarded the **Sainsbury's School Games Silver Award** for the second year, and we are targeting 'gold' this year 2015/16. This prestigious award rewards our school for our commitment to, and development of, PE, school sport clubs and competitions. Only a few schools in the town have received this special award. The award is an annual accreditation, and we have now received it two academic years in a row.

Football kit

Our school football team now has new, personalised kit! We have 30 shirts, shorts and pairs of socks – when children represent the school, they can be proud to wear our school colours. The kit is very kindly sponsored by Phoenix Taxis (a local company) who donated £580 for the new kit.

Runner-up School of the year

Boothville Primary received the 'runner up' award for 'Primary Sports School of the Year' at the 'Northampton Sports Awards' (15th October 2014), and again in 2015 we were nominated again by the Northampton Partnership. We are very proud of this accolade.

Intra-sports

We are engaging all children in a programme of competitive sporting events. The new national curriculum states children *"should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasing challenging situations... they should enjoy communication, collaborating and competing with each other"*.

To this aim, we have designed a programme of events to offer regular competitive sporting opportunities to the children in school (year1-6). Practically, this means children will be competing against each other on a regular basis in a variety of sporting events, driven by house competition.

Houses Formed

Children across the whole school have been sorted into four houses and are competing in a number of intra sports between the houses, in Senior, Junior and Mini groups. This means ALL children have the opportunity to participate in competition, within a range of sports from Cup Stacking and Chess to Tag Rugby and Football.

Family Funs

This club is being introduced in order to promote children's health and well being along with improving parent engagement. Parents/carers are encouraged to become part of the 12 week programme in order to help families develop essential habits at home. Miss Cleaver and Miss Hillyard will be running the club every Tuesday afternoon, with the help from our sports leaders.

Saints Study Centre

We use the Saints Study Centre to support the learning of Pupil Premium children through sporting inspiration. The exciting environment of Franklin's Gardens is used to help boost the self-esteem and confidence of our children, who enjoy stadium tours and coaching as part of the scheme. At the centre, children explore and experience the latest PC and Apple technology in a flexible and independent way. Children can access high quality learning resources within the centre, at home and in the school environment. Learning opportunities extend beyond the walls of the Study Centre at Franklin's Gardens with children using notebooks, tablet PCs and digital technology on a remote network in the stadium. The children celebrate their achievements at an awards ceremony at Franklin's Gardens, with their parents and members of the Saints first team squad.

Change for Life Club

This club is offered to a select group of children to promote physical activities and an active lifestyle. The aims of the club centre on the Olympic and Paralympic values which are embedded within our own school values and ethos. The club aims to inspire young children to have a more active and well-rounded approach to life. Mrs Bradshaw and Mrs Crabb run the club, which takes place on a Friday afternoon.

Young Leaders

Thirty more Year 5 children have been trained by our SSCO as Young Leaders (YL). Each day, children from Year 5 and 6 lead and organise games with the younger children. The YL show exceptional leadership skills and commitment.

School Sports Organising Crew (SSOC)

We have 8 members of our SSOC. They meet every other Friday to discuss PE and school sport developments. The Year 6 children have written their own 'code of conduct' and 'mission statement'. Each member of the groups has their own special responsibility, which has included writing a sports newsletter and blogging!

Real PE

All staff members now teach Real PE successfully. The children enjoy this new method of participating in PE.

Enrichment Time

Key Stage 2 children have been arranged into groups of 20, in mixed ages, and are participating in a number of 'new' weekly level 1 sporting activities which include Table Tennis, Arrows, Cup Stacking, chess and Fencing as well as participating in Pilates/Yoga.

Summary of Expenditure

| Row Labels | Values | | |
|--------------------|----------------|----------------|------------------|
| | 2013-2-14 | 2014-2015 | 2015-2016* |
| Change for life | | 1476.54 | 20.32 |
| Coaching | 1077 | 417.5 | 2979.38 |
| Equipment | 2125.55 | 562.14 | 5259.04 |
| Events | 180 | 264.29 | |
