

Boothville Primary School follows the 'Steps To Read' scheme of work which provides curriculum knowledge for foundations subjects as well as teaching all aspects of word reading and comprehension through high-quality fiction, non-fiction and poetry texts. The children will have a daily, dedicated reading session which has a clear focus on the skills and strategies needed to be a proficient and confident reader. The scheme provides vocabulary expansion opportunities to inspire a love of language. It utilises engaging texts to promote a life-long love of reading.

Take a look at Year group coverage but be aware that these may be covered in a differing order over the year.
