## School Newsletter

**Reminder – MacMillan Fundraiser – Friday 27<sup>th</sup> September – Mufti Day**

**Please see notice board below**

### Parking !!

We are already receiving complaints from local residents about inconsiderate parking in the streets around the school. One of our neighbours was also subject to abuse from a parent who spoke to her about a traffic problem.

Please bring parking problems to my attention and I will notify the Traffic Enforcement Officer and the Police.

Can I also remind parents that they should not drive onto the school premises at any time (unless they have been given an Access Permit), even if their child is late arriving or being picked up.

### Parentmail

We have been informed by Parentmail that they are experiencing technical difficulties at the moment and we were unable to send last week's newsletter, so apologies for this. Reception children will receive hard copies of all correspondence until the system error is fixed. In the meantime please contact the school office if you require a copy of any letters etc.

## SPORTS REPORT

Well done to the Year 3/4 Basketball Teams that played at St Gregory's on Wednesday. The children continued to develop their basketball skills in game sessions. It was lovely to see them improving their individual skill quickly, whilst also learning to play as a team. Awards went to Tyrese for his teamwork and Jessica for her effort and attitude. Our children who represented the school were, Tyrese, Aaron A, Jessica, Ellie S, Tia, Grace, Ralfs, Emmanuel, Jacob all from Year 4 and from Egor, Harry B, and Alfie from Year 3.

We had a coach from The Saints come to our school. He spent the morning showing the children in Key Stage 1 some rugby tactics. The children were very excited to find out that the tag games they played were the same ones that the First Team play during their training sessions. A big thank you to Patrick for a fun morning!

If your child enjoyed this taster session, they might like to join the school Rugby Club which takes place on a Wednesday before school. More details available from the school office.

### SAFEGUARDING

This is a useful document if you are considering enrolling your child into additional activities outside of school. It provides you with advice and questions to ask regarding safeguarding arrangements when considering out of school activities:

### Year 5 Spy Day

Last Wednesday, the children in Year Five experienced a Spy Day! Following on from our focus on Alex Rider – Stormbreaker, the Year Five teachers wanted to give the children an experience to remember. Our day involved many top secret missions including: a covert mission around the school site, a range of different code breaking activities and an opportunity to

design their own spy gadget! At the end of the day, each new recruit received a certificate stating that they have passed all the necessary requirements to become a real spy. Congratulations agents! Remember, everything that you've learnt must remain top secret . . .!

**And finally. . . current House Points totals are:**

Dragon

**1,538**

Phoenix

**1,364**

Griffin

**1,119**

Pegasus

**867**

### Year 6 Longtown Residential

We had the most wonderful time at Longtown! I was so proud of the children and how they bravely threw themselves into all the activities. I'm sure they will remember this experience for the rest of their lives. Well done to the Y6 children who worked on the Enterprise Project last week with the help of Miss Dixon, Mrs Lewin, Mrs Glenn and Miss Rahman. It sounds like you all had a lot of fun and the finished products were amazing.
