## School Newsletter

We have had a really busy first full week of the new term. The children have settled back into their routines really quickly and I have been impressed with the learning that I have seen taking place around the school. Thank you very much for all of the positive comments we have had about our parking signs and cones. We will endeavour to get these out as often and in as many places as we can to keep parking and walking into school as safe as we can.

Just a reminder that applications for Reception places for September 2023 close this Sunday (January 15<sup>th</sup>)

### Last Week's Attendance Heroes

**FANTASTIC**  
**Well done Gangsta Granny!**  
 Current overall school attendance is 92.5%  
 OFSTED minimum expectation is 97%

**Please remember to book your school dinner via the Payments section of the Parent App. This includes children who are entitled to a hot meal in Reception, Year 1 and Year 2 as well as children who have Free School Meals in KS2. Remember that this needs to be done by midnight the night before.**

# Sports Report

On Tuesday, some of our Year 5 & 6 children competed in a Boccia tournament against 15 other schools. Boccia is a game where one side has six red balls and the other side has six blue balls. The aim is to throw/roll your balls closer to the white target ball, the 'jack', than your opponent. The boys were amazing and reached the semi-final. They finished 4<sup>th</sup> overall. Well done to Ollie, Lucas, Joshua and Mason.

## OUR LIBRARY NEEDS YOU!

Can you help us to restock our library with a wider range of books covering topical issues such as race, inequality, autism and feeling different?

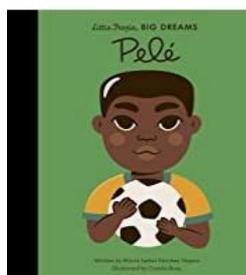

The Journey - The unimaginable decisions made as a family leave their home and everything they know to escape the turmoil and tragedy brought by war.

Speak Up - Navigating the world with autism

The Little People, Big Dreams series will inspire our pupils about the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream.

If you are able to help us with this exciting project, then we have set up a donation point within the shop section of the school app. This is already live. We will print off a sticker for each donation that we receive and this will go inside a book as a lasting thank you to your family for your help. In addition to this, we are also looking out for something such as a bus to house our library in. If you have any connections or any ideas then please contact me directly.

## SAFEGUARDING

Many of our children have received VR headsets for Christmas and this link to the NSPCC explains how to use these safely in the metaverse.
