

Spring 2 Year 2!

Welcome back! We have a lot to fit into this short term!

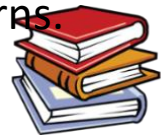

Just a few reminders for our Year 2 families:

- P.E days are Monday and Thursday.

Children will need indoor and outdoor kit including plimsolls and trainers, and their house t-shirt (they are available at the office if a replacement is needed).

- No jewellery to be worn on P.E days (including earrings, which should not be plastered or taped over).
- Homework will be set on a Thursday and is due in on the following Wednesday. Homework should not cause anxiety, please see your child's teacher if you have any concerns.

This term our topic will be **BIG WIDE WORLD**

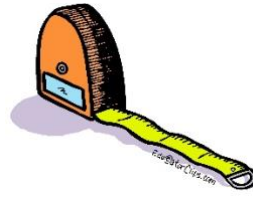

In **English** we will be reading and sharing *The Enormous Crocodile* by Roald Dahl and writing crocodiles stories and fun snappy facts!

We are starting our new system called Spelling Shed for spelling at school. The children will no longer bring home a spelling list for a test each week. We will be learning our spellings at school with Common Exception Word lists which we will send home so that you are aware of what we are covering.

In **Maths** we will be learning all about length, mass, capacity and temperature!

That's a lot of measuring!

In Science we will learning about living things and their habitats.

Why do they live there? What would happen if they lived somewhere else?

What do habitats do for their plants and animals?

In Topic we will be finding out about Christopher Columbus and his adventures exploring the wo

In DT we will using our design and technology skills to create our very own moving crocodile!

Let's get our ideas brains into

action!

WORLD BOOK DAY is on Thursday 7th of March. We can't wait to see what lovely ideas the children bring to their costumes on the day.

If you have any questions, please come and ask or email us at our class addresses below.
