

Forest School Sessions

Forest School is a specialised outdoor learning approach with a focus on developing children's confidence and self-esteem by providing opportunities for hands-on learning in our school woodland environment at Boothville.

All Year 3 children will have the fantastic opportunity to take part in Forest School sessions throughout the seasons of the year. Each class will have 2 afternoon sessions per term (Autumn 1, Spring 1, Summer 1).

Year 3 Dates for Forest School Session in Autumn 1

3BG – Thursday 14th and Tuesday 19th September 2023

3BL – Tuesday 26th and Tuesday 3rd October 2023

3MG – Tuesday 10th and Tuesday 17th October 2023

All children will need to come to school on their Forest School day in their school uniform with additional clothing in a separate bag. Your child will need the following clothes to change into:

- Old trousers & long-sleeved top to protect skin from potential hazards such as nettle stings
- Old trainers/shoes that you don't mind getting wet & muddy
- A separate bag so mucky clothes can be taken home
- Sunhat/sun cream if weather is hot
- Raincoat/Waterproof trousers/wellies if weather is wet

*** Please check the weather forecast ahead of the session just to be sure of the appropriate clothing that will be required.**

Look out for photographs and updates on the Year 3 Class Blog about the fun outdoor learning experiences we have while at Forest School.

We are looking forward to welcoming the children back to Forest School after such a long break!

Miss Tarry

(Forest School Leader)
