## PSHE Day - Wednesday April 24<sup>th</sup> 2024

We are looking forward to seeing parents and family members at school next Wednesday from 2:45pm. This will be the end of a special PSHE day called **Dreams and Goals**. Please remember that the children are invited to **come to school that day dressed in the outfit of their dream job**. Please do not buy anything new for this day, if necessary, we can give children a badge for them to write their dream job on and they can wear mufti. We have invited some sporting special guests along on this day to inspire the children, as well as a few other surprises we have planned!

We hope this will be a great day for everyone, encouraging children to aim high and reach their full potential when they are grown up.

Please arrive at the main gates on Booth Lane and enter via the gate next to the Nursery building. You can then make your way to the classrooms.

### SAFEGUARDING - NSPCC

After our assemblies earlier in the year, our Year 2, 5 and 6 children have taken part in Speak Out. Stay Safe workshops this week. If you would like to find out more information then please follow the link below.

### Year 4 Residential to Frontier Centre

This week 72 of our Year 4 children went on their residential trip to Frontier Centre in Irthlingborough. They had a fun-packed three days where they had a go at lots of exciting and adventurous activities including archery, canoeing, orienteering and indoor climbing. They also took part in walk the plank and nightline which were trust exercises where communication was key. We are very proud of how the children worked together and supported each other to face their fears. Lots of the children enjoyed getting muddy when playing in the adventure pits but some weren't so keen! In the evenings they had a campfire with songs and a movie night. It's no wonder we were all so tired when we got back to school on Wednesday!

Here's what some of the children said:

"My favourite activity was nightline because it was interesting to go across the obstacles blindfolded."

"The funniest moment was watching people fall in the water during walk the plank."

"The best thing I learnt was how to read a map."

"My favourite moment was when I faced my fear of heights."

"A memory I'll keep is having the best time of my life."

"The best thing I learnt was trusting a friend."

From muddy hands at forest school to clean hands for baking, the children in Year 4 that stayed at school certainly didn't miss out on any fun! We also spent time playing card games, participating sports games outside, making clay pots and partying.

## Orienteering

On Wednesday, 8 Year 5 children took part in an orienteering competition at Overstone Scout ground.

The children used a map to find markers in the woods and had to return within a strict 25 minute time scale. The teachers had to stay in one place and not help them, quite a challenge!!

They then had to complete various team challenges such as code breaking, tangram making and shape Sudokus.

The children had a brilliant time and some even got to see the resident muntjac deer. We will find out the results soon.

## School timings

We have a number of pupils who are arriving to school and being collected late. The doors for Year 1-6 should open at 8:40am and we finish at 3:30pm. For Reception it is 8:45am and 3:15pm. If you are running late to collect for any reason please phone the school office. Thank you.

## Parking

I have received a number of emails this week regarding parking. Please can I remind you to park with consideration and thought. It is really important that wheelchairs and buggies can get past parked cars. It is also vital that people are aware when parking and pulling off of children and people walking on pavements. We have had a number of near misses for families where people are in a rush or just not taking enough care. Please help us to keep our children and members of our school family safe.

## And finally...

...current house point totals are:

	Griffin	Phoenix	Pegasus	Dragon
This week	1853	2285	1604	2385
Overall	26838	23106	26977	31035

House of the week: Dragon!

Overall leaders: Dragon. Well done Dragon!

# BEAVERS

# TIME FOR FUN!

For fun, friendship and activities that get you thinking as well as doing.

# cubs

Beavers are young people aged 6 to 8 and Cubs are aged 8 to 10½ who:

- Master new skills and try new things
- Have fun and go on adventures
- Make friends
- Are curious about the world around them
- Help others and make a difference, on their own doorsteps and beyond

Your local Beaver and Cubs are 23<sup>rd</sup> Northampton and meet at the United Reform Church, Headlands every Monday or Tuesday
