Sports Report

County Basketball Champions – again!

Our Year 6 children did the 'DOUBLE' on Wednesday night, having previously won the County Finals last year. Although we got off to a shaky start, we managed to win all of our group games and therefore came top in our pool. We then played superbly well in the semi-final against Delapre, winning 18-2 before coming up against Blisworth – the team we played against first! It was a final like no other, with two periods of extra time where either team would have been worthy winners. Eventually, through sheer determination and skill, we emerged victorious for the second year running, beating Blisworth 16-12 - what an incredible achievement! Huge congratulations go to Amelia, Anopa, Channah, Kyjah, Luca, Maja, Myla, Nicholas, Shaquille and Tanisha.

SAFEGUARDING - WhatsApp Groups

Whilst WhatsApp has an age rating of 13+ (recently lowered from 16), a BBC investigation has found that children as young as nine have been added to WhatsApp groups and seen inappropriate content. If your child is using WhatsApp, check their group settings as by default, group privacy settings are set to 'everyone,' which means anybody can add your child to a group without their approval. You can change this setting to 'My Contacts' so only contacts can add them to groups without their approval and if somebody who is not a contact wants to add them to a group then they will need to send them an invite. Talk to your child about the risks of joining groups and show them how to use the reporting/blocking tools. You can find out more about the BBC investigation here:

Family Learning Courses – Transition Year 6 to Year 7

Family Learning are once again running our popular NEXT course for parents of children transitioning to secondary school in September. We will be running two courses:
