School Newsletter

We are looking forward to meeting with you, albeit virtually, next week. It will provide an opportunity for you to meet your child's teacher and find out how they have settled into their new classes. School Cloud booking system will now allow a second adult to join a parents evening call. The lead parent on the system can now invite a second adult to join, either at booking or at a later date. Please find a set of attached instructions on how to do this if it is relevant.

There is a flyer attached from The Lowdown offering support to families.

Parent Parking

We have a number of parents using the school car park in the mornings to drop children off at clubs before school. Unless you have a permit, no one should be doing this as you are preventing staff from being able to park and begin their working day. Thank you for your co-operation with this.

SAFEGUARDING

We are increasingly concerned at the number of children who have been talking about and re-enacting the games from Squid Game, a popular Netflix show that is highly inappropriate for young children due to the high levels of violence portrayed. It is rated as 15. We have heard reports that children are aware of it due to pop-ups appearing on other sites such as YouTube and Roblox as well as some children having watched it themselves. Please look at the link below for more information on the content.

KAYAKING – BOOTHVILLE PADDLERS

This week we were paddleboarding. We were quickly on the water this week as the boards were so light to carry. We quickly found how wobbly they were, especially when we were stood on them but we managed the session without anyone falling in. After the session we had the chance to jump into the river. A brilliant day.

And finally...
