## School Newsletter

Well done to our new Reception children who have completed their first week at school attending full time. We are really proud of how well they are settling in and they are showing that they are excited to learn.

Our Year 6 children were fantastic last week. The children at Longtown excelled in all of the challenges and the children who ran the Enterprise Project worked extremely hard. Well done!

## SPORTS REPORT

We took part in the year 3/4 football tournament last Friday. It was a nine team tournament, split into groups of 3. We really improved throughout the tournament, only conceding 1 goal. Unfortunately in our first group game we had lots of shots but some good goalkeeping meant we did not score. The opposition had their first shot in the last minute and scored! We won our final group game 2-0. This put us into a group playing for 4th, 5th or 6th. We won this group comfortably, scoring 7 and not conceding. This resulted in us finishing in fourth place. Well done to Harrison, Jack, Mason, James, Luca and Theo.

Last Wednesday, we took a group of Year 4 children to a Broadening Participation event. This event focussed on developing motivation, competence and confidence through station based, multi-sport invasion games, featuring Rugby, Football and Basketball. Our children took part fully and over the course of the afternoon, not only enjoyed themselves, but continued to improve their personal and team skills. Well done to Jude, Poppy, Abigail, Layton, Evie, Alexander, Oakley and Sophia.

### PARENT'S EVENING - 18<sup>th</sup> and 19<sup>th</sup> October

**We will be holding our first meetings of the year using School Cloud again. You will receive a separate letter about how to book an appointment next week. We will move back to face-to-face meetings later in the year.**

**In the meantime, we would like to invite you to a parent/carer share session on Thursday 20<sup>th</sup> October for the last half an hour of the day to have a look around the classrooms, share what the children have been learning and meet the teachers in person. More information about the details of this will be shared next week.**

### SAFEGUARDING

Following the road accident we had on Monday, we have spoken to the children about keeping themselves safe when crossing the road. Please can you reiterate this at home and in particular to stress the importance of using the zebra crossing and following the highway code.

We also have a number of parents from our school who are parking on pavements especially outside ZigZag. This is not only inconsiderate but also extremely dangerous and is illegal when it causes an obstruction. The Governors are currently writing to our MP and looking into a petition. If you have any ideas about how we can improve things and ultimately keep our community safe then please let me know.
